

## Elenco dei siti per Provincia e per Comune

### Note

- 1) In alcuni casi si può riscontrare lo stesso numero di codice in corrispondenza di più di un Comune, poiché alcune aree censite si estendono su diversi Comuni.
- 2) L'elenco non comprende quei siti che per le loro caratteristiche nelle attuali condizioni possono essere esposti a rischio di perdita totale o parziale.
- 3) È opportuno tener presente che l'elenco deriva dal progetto di primo censimento che ha individuato 440 località (433 delle quali disponibili online), pertanto il Catalogo dei Geositi Pugliesi continuerà ad essere popolato con l'approfondimento delle conoscenze, portando ad individuare un numero crescente di beni e località rappresentativi e utili alla comprensione della geologia locale e delle dinamiche del territorio.
- 4) Per ulteriori approfondimenti e la consultazione della mappa è possibile consultare il sito [www.geositipuglia.eu](http://www.geositipuglia.eu)

### Provincia di Bari

|                     |                                                                                                                                                                  |
